

Tweeds
Home & Garden Collection

About us

Starting as a family run business in 1949, Tweed Fuels operated as a coal business supplying the local area. Growing over the years, James A Tweed's grandson Stephen Tweed and his wife Judith took over the business in 1994 delivering coal before expanding into supplying Calor gas and home heating oil to the Mid and East Antrim area.

As a local business with a local team, over the years we have thrived off providing the highest quality of fuel with the highest quality and reliable service to domestic, agricultural and commercial customers.

In 2020, we diversified our business into Home & Garden retail where we felt it was only right to rebrand ourselves as Tweeds. With the expansion of the shop, we launched a wide range of garden furniture and accessories, outdoor cooking and heating appliances, fireside maintenance and accessories, portable gas heaters and so much more!

From catering for your garden during the spring and summer seasons to launching our Christmas Shop in 2021, we are always finding ways to turn your house into a home - both indoors and out. Not only have we got our showroom based in Islandmagee and online shop, we have showcased our product ranges at events such as Glenarm Castle Christmas Experience, Tulip Festival and many more to come in the future.

Warranty

Our Home & Garden range includes a minimum 1-year manufacturer's warranty that varies per product range. This covers for manufacturing faults or structural damage (excluding glass) and is valid from the date of receiving your purchase. For more information, please see the warranty notice attached to each product range.

Our Services

Is DIY not your thing? Not to worry, we provide a full delivery and assembly service for our Home & Garden range across Northern Ireland. For all delivery and assembly prices, you can enquire online at www.tweeds.co.uk or telephone on 028 9338 2502. Please note all costs are calculated based on the item and location of delivery.
